MEMORANDUM FOR THE RECORD

STATINTL

FROM : [REDACTED]
Secretary

SUBJECT: Minutes of the 8 July 1976 OTR Staff Meeting

1. The 8 July 1976 OTR Staff Meeting convened at 1030 hours and adjourned at 1110 hours.

2. The DTR opened the meeting by asking if any of the members had problems with the suspense dates assigned to action items from the Planning Conference. Several deadlines were changed by mutual agreement. The Secretary asked whether the Unit Chiefs would have cost data available on new courses by the indicated 15 July deadline. Chief, FTD, pointed out that several new courses have not been run as yet and cost data cannot be computed. The DTR recalled that the need for these data was based in part on the request from the AD/DCI/IC for the DDA to compute charges required for the Agency to provide services to the IC Staff. There is some evidence that OTR may be required to provide additional training for the Community, and tuition charges should be available. It was agreed that cost data would be submitted to [REDACTED] as soon as possible after the first running of each new course.
